

**Moretown Planning Commission  
Minutes  
February 21, 2017  
6:30 PM  
Moretown Town Offices**

Present: Members Karen Horn, Dara Torre, John Schmeltzer. Alternate Deb Feldman.

Karen called the meeting to order at 6:40.

No members of the public were present.

The Commission discussed the possibility of Village Designation in the village and at the corner of Rt. 100 and 2. Village Designation provides tax incentives for private entities redeveloping or developing properties and priority for grant funding to municipalities. The Commission will prepare an application for the village first.

Dara reminded members of the Moretown sidewalk grant. The first phase is from General Store to Hurdle Rd. The match is from the Deer yard fund. Dara expects the project may happen this summer.

Dara made a motion to approve the minutes of February 7. John seconded the motion, which was unanimously approved.

Karen told the planning commission that she had answered the survey from the regional commission on energy and sent the response to the planning commission.

The meeting adjourned at 7:30.

*Respectfully Submitted,  
Karen Horn
