1. Public Comment

No public comment

2. Agenda

Meg would like to add: Trash/Refuse/Glass on Brook Bank

3. Minutes from 7/27/2020

Motion: Meg moved to accept as written. Chuck seconded. Approved unanimously.

4. Moretown Nature Trail and Skills Park

MRR met with contractor. Pin flagged the route. John walked the teachers over the route so they are aware of the construction. Selectboard has approved, contract is under final review. Steve pointed out that a call to public for volunteers might be worthwhile. Mowing came up during pin flagging. John volunteered to draw a map for the mowing person. Meg questioned cleanup and ensuring bad actors don't litter. John indicated he hopes a culture of higher use will bring some amount of responsibility. A press release should contain language reminding responsible use.

5. Update on Trail Signage

Signs haven't been purchased yet. Steve will pull the trigger.

6. Website Update

Chuck updated group about changes to the Rec Committee page: Meg added, TrailForks map added.

7. Tennis Court Update

Susan and the pickleball players did a bunch of weeding. Steve filled first round of cracks with crack filler and it firmed up nicely.

8. Trash/Refuse/Glass on Brook Bank

Meg described that there is a great deal of glass along the bank and wonders if there is some responsibility on the town to clean it up. She believes it's only a matter of time before someone

gets cut. Steve recommended communicating to the school. Identifying it as a green up day target might be good too. Susan suggested Friends of the Mad River (Cory Miller) might be worth consulting to see if they have ideas. John volunteered to bring it up.

9. Future Meetings

Agreed to continue at the pavillion for September, but Steve will ask Cherilyn and the SB about potentially using the Town Hall then beyond.
